Crescenta Valley Glendale Softball Association is a registered 501(c)(3). EIN is 47-2380192. Donors can deduct contributions as determined by law.

## About CV United

Our goal at Crescenta Valley United Softball is to deliver the *best* youth softball experience to the girls in the Crescenta Valley / Glendale and surrounding areas.

In addition to helping develop strong softball fundamentals, we are equally **passionate about teaching and promoting strong character traits such as: good sportsmanship, teamwork, fair play, and compassion.** We believe that we can achieve these ideals while having fun!

CV United is a chartered member of the USA Softball (formerly ASA), a nationwide softball-only organization which runs the U.S. National Team and is the governing body of softball in the United States. We are a member of the Western District of USA Softball of Southern California.

There are no residential boundaries, so we can reach out and **welcome girls who live anywhere into our league.**

---

*CV United is about softball – first, last, and foremost. All development, fundraising, and involvement efforts are geared toward the growth of the wonderful sport of softball.*

---

CV United is a **non-profit organization run by an all-volunteer staff.** Our coaches and staff bring years of experience at all levels of competitive softball. All are firmly committed to making CV United the best-run softball organization in the Crescenta Valley/Glendale area and beyond.

## History

In 2016 CV United Softball Association was formed as a merger between CSA Softball and CVGSA (formerly CV Little League Softball). Both organizations were formerly affiliated with baseball leagues.

The merger not only represents the coming together of mutual interest but also the strength of dedicated experience and knowledge that our many coaches and volunteers have gained through their many years of involvement in the sport of softball. Spring 2017 was our inaugural season.
